Total Trees Planted: 166,140

BK	17,732
BX	48,059
MN	14,467
QN	49,808
SI	36,074

Reforestation is one of 127 initiatives launched in 2007 by Mayor Bloomberg as part of PlaNYC to make New York City greener and more sustainable by 2030. It is a key component of MillionTreesNYC, providing 380,000 of the total trees to be planted in the campaign by 2017. To date, 44% of this reforestation tree goal has been met.
